Share of Cost Issues @ EDS: Medi-Cal paid out of CCS Funds for some claims, EDS fixing claims will be reprocessed

HIPAA Electronic Billing, Response Requirements & making SAR process HIPAA compliant: big system change in the next two years

0C and 9U Aid Codes

David Jimenez

0C – Medi-Cal aid code, links to Healthy Families

Can retro premiums to DOB if HF eligibility established before 11 months after DOB

Legacy auths will need to be used until the 0C aid code is established at EDS

Counties: Contact MrMib if you have any questions

9U – Will be used for HF child under 40 K with or without a signed PSA, 9R will only be used for 40 K plus children, counties will be responsible for their share of 9U payments.

CMS Branch will convert any current 9R that should be 9U automatically
